Missouri Preschool Program Enrollment

The Excelsior Springs School District is proud to continue the addition of our Missouri Preschool Project Classroom at Lewis Elementary and Westview Elementary. The school day will run 8:35-2:42 Monday, Tuesday, Thursday, Friday. The students will attend 8:35– 1:42 on Wednesdays. We will provide breakfast, lunch and a snack along with a rest time for the students daily.

We will accept applications for students who will be **eligible to attend Kindergarten the following year**. Students who live in the Lewis or Westview attendance area will be given priority for entrance into the program until May 1st. We will open enrollment to Elkhorn students starting May 15. Enrollment will be expanded to include all surrounding area students on May 30. Space is limited to 20 students at each building.

Parents are responsible for transportation to and from school. All students must be potty trained before entering the program. **We are now enrolling and space is limited to 20 students at each building.** There will be monthly tuition based on income guidelines. If your student qualifies for free breakfast and lunch, tuition is also free, if your student qualifies for reduced price meals, tuition will be \$56 a month, and students paying full price for breakfast and lunch will have a tuition payment of \$250 a month.

If you are interested in applying for entrance into our preschool program, please fill out the attached application and return it to Lewis Elementary, Westview Elementary, or Central Office. The beginning of classes will correspond with the regular school-year schedule.

If you have further questions, please call Lewis Elementary 630-9290 or Westview Elementary 630-9260.
