

DISCIPLINE:

For most students, the PBIS process is sufficient enough to teach and reward proper behavior. However, there will always be students who require additional support and intervention. At Westview, we have developed a process to track and identify these students so they can receive the help they need to become successful in school and beyond.

A Parent's Guide to PBIS

PBIS (Positive Behavioral Intervention Supports) is a school-wide approach to discipline for creating safer and more effective schools. PBIS focuses on improving a school's ability to teach and support positive behavior for all students. Students are taught clear and consistent school-wide expectations and are given opportunities to earn incentives by following those expectations. With PBIS, instructional time is more effectively used for teaching and the overall school environment is calm and conducive to learning.

At Westview we focus on 3 goals:

Individual

Students following our GRR! expectations throughout the day may be rewarded with our gold Tiger Tickets. Each week students have the opportunity to redeem their tickets for prizes.

Diner's Club/Student of the Month

In addition to our GRR! Universal Expectations, each month we focus our lessons around one of eight Tiger Traits. Those traits include *ambition, integrity, citizenship, compassion, cooperation, initiative, perseverance, and self-control*.

Each classroom teacher nominates a student who exhibits these traits as the classroom Student of the Month. Those students, along with his/her parent(s), are invited to participate in a Diner's Club lunch with the Principal and Assistant Principal.

Classroom Incentives

Classes can earn blue class tickets by working together to show their GRR! at Westview. For every 30 blue tickets earned, classes are rewarded with prizes such as extra recess, science experiments, and game parties.

PBIS Assemblies

At the end of each quarter, we celebrate our hard work with an assembly. We recognize individual students and classes that have done an excellent job showing GRR!

PBIS Quarterly Incentives

At the end of each quarter, students with one or less referral participate in a fun activity. Those students who receive two or more referrals during the quarter attend a PBIS 101 class to help them address and improve upon their behavior in school.

C.A.M.P. Awards

Each quarter our specials teachers (Computers, Art, Music, and PE) present an award to one class, in each grade level, which has done the best job showing their GRR! during specials.
